Customer is responsible for providing **fully dimensioned drill patterns when using heads from other manufacturers; otherwise, the standard Divine Lighting drill pattern will be used.

Customer must **specify the orientation of fixtures on the pole when ordering. This information can be found in the options section, e.g. **190, 2180, etc.**

**Divine Lighting is not responsible for inconsistencies between poles, fixtures, and parts produced by different manufacturers, and cannot guarantee proper fitting between such components.
